Y. SIMOENS, *Apocalisse di Giovanni. Apocalisse di Gesù Cristo. Una traduzione e un'interpretazione*, trans. R. Fabbri, Testi e commenti (Bologna: Dehoniane, 2010, paper €29) 306 pp. Bibliography. Indexed. ISBN: 978-88-10-20654-6.

The Italian version of the 2008 French original *Apocalypse de Jean. Apocalypse de Jésus Christ* [NTA 52, p. 606], this volume first provides a seven-page preface and a structured translation of the entire book of Revelation. Then it offers an eight-page introduction to the book and an exposition of it: the prologue and the first vision (chap. 1), the seven letters to the churches (2–3), and so forth. Simoens teaches Sacred Scripture at the Jesuit theological faculty in Paris (Centre Sèvres) and at the Pontifical Biblical Institute in Rome.
