This is an Italian translation of a book originally published in French in 2008, which itself incorporates, in revised form, an array of M.'s previous publications. The volume comprises three main parts, dealing, respectively, with Exodus 14 and 15; the two versions of the Decalogue, and what M. calls "hymns of freedom," i.e., Psalms 113–118 and 136. For each of the texts studied, M. provides a detailed rhetorical analysis of its structure and the interconnections among its parts, as well as an "interpretation" that draws on the given passage's OT and NT intertexts. M.'s discussion is illustrated with numerous charts and includes a glossary of technical terms, a list of works cited, and an author index.—C.T.B.
