I. GARGANO, *Lettera ai Galati. La nuova creazione*, Conversazione bibliche, Letture semplici delle Lettere di Paolo 6 (Bologna: Dehoniane, 2009, paper €12.20) 182 pp. Bibliography. ISBN: 978-88-10-71903-9.

After an eighteen-page introduction to Paul's letter to the Galatians, this volume presents first an Italian translation of the letter and then the Greek text. Next it provides a "simple reading" of each pericope (Gal 1:1-5; 1:6-10; 1:11-24; 2:1-13; 2:14-21; etc.). Gargano, a Camaldolese monk who has written similar books on 1 Thessalonians, Philippians, 1 Corinthians (in two volumes), and Ephesians, divides the main part of Galatians into three blocks: the autobiographical section (1:11-2:21), the content of Paul's gospel (3:1-5:12), and its practical consequences (5:13-6:10).
