ROBERTO REGGI (ED.), *Vangeli e Atti: Traduzione interlineare in italiano*, Bibbia — Traduzione interlineare italiana (Bologna: Dehoniane, 2014, paper €28) 457 pp. ISBN: 978-88-10-8210901.

After Reggi's two-page guide to the edition, this volume presents the entire Greek text of the Gospels and the Acts of the Apostles according to the UBS 4th edition of *The Greek New Testament*, along with a literal interlinear Italian version and the running CEI version at the foot of the pages. It provides variant readings in the internal margins and section titles in the external margins of the main text, while biblical parallels are included in the margins of the CEI text.
