ROBERTO REGGI (ED.), *Καθολικες επιστολες: Lettere cattoliche. Traduzione interlineare in italiano*, Bibbia — Traduzione interlineare italiana (Bologna: Dehoniane, 2014, paper €10) 87 pp. ISBN: 978-88-10-82113-8.

This volume presents the entire Greek text of the eight Catholic epistles (Hebrews, James, 1–2 Peter, 1–3 John, Jude) according to the UBS 4th edition of *The Greek New Testament*, along with a literal interlinear Italian version and the running CEI version at the foot of the pages. It provides variant readings in the internal margins and section titles in the external margins of the main text, while biblical parallels are included in the margins of the CEI text. Reggi has provided a two-page guide to the edition.
